Parents,

We had 33 wonderful kids audition for just 7 special parts — please let your child know that simply preparing and showing up to audition is something to be proud of!

In addition to the special parts for our **December 10th** KidsPraise program, I am also putting together a **Select Ensemble** to sing “Glory to God,” in the **Sunday worship services on December 7th at 9:00 and 10:30 AM**. Some children will be listed for **both** December 7th *and* December 10th, so please read this email in full to know which commitments apply to your child.

These roles come with extra responsibility because the children in these parts help lead the rest of our group, and their consistency affects everyone’s ability to learn and feel confident.

If your child receives one of these roles, please read the expectations below. The commitment level is the same as a sports, dance, or gymnastics team, and because of our limited rehearsal time, **we’re unable to make individual scheduling accommodations** for conflicts with other activities.

## Expectations

- Attend **all** extra rehearsals and the performance
- Arrive on time and prepared
- Take the role seriously and honor the commitment
- Prioritize this over any outside activities that conflict

**If your child cannot meet these expectations**, please let me know right away so we can offer the part to another child who is fully available. Thank you for helping your child understand the importance of follow-through and commitment — it truly makes a difference.

Sincerely,

Tamre Bennett  
Children’s Minister
